6.0 Instructions For Use

Pass

Instructions shall be provided in the official language(s) of the country where the crib/criadle is sold.

These instructions shall be headed:

***'IMPORTANT. RETAIN FOR FUTURE REFERENCE.
READ CAREFULLY.'***

These instructions shall include the following:

- a) a statement that the crib/criadle should be placed on a horizontal floor;*
- b) a statement that young children should not be allowed to play unsupervised in the vicinity of a crib/criadle;*
- c) a warning notice that the crib/criadle should be locked in the fixed position when a child is unsupervised in it;*
- d) an assembly drawing, a list and description of all parts and tools required for assembly, and a diagram of the bolts and other fastenings required;*
- e) a warning notice not to use the crib/criadle if any part is broken, torn or missing;*
- f) the phrase:*
'When a child is able to sit, kneel or to pull itself up, the crib/criadle shall not be used anymore for this child.'
- g) a statement that all assembly fittings should always be tightened properly and that care should be taken that no screws are loose, because a child could trap parts of the body or clothing (e.g. strings, necklaces, ribbons for babies' dummies, etc.), which would pose a risk of strangulation;*
- h) a statement not to use the body of a cradle without its frame;*
- i) a statement that the thickness of the mattress chosen shall be such that the internal vertical height (surface of the top of the mattress to the upper edge of the bed sides) is at least 200 mm in the highest position of the bed base;*
- j) a recommendation concerning the size of the mattress when not sold with the crib/criadle;*
- k) a warning notice to be aware of the risk of open fires and other sources of strong heat, such as electric bar fires, gas fires, etc. in the near vicinity of the crib/criadle.*

This document is issued by the Company subject to its General Conditions of Service, available on request or accessible at www.sgs.com/terms_and_conditions.htm and, for electronic format documents, subject to Terms and Conditions for Electronic Documents at www.sgs.com/terms_e-document.htm. 7.0 Marking

Pass

All cribs/crib cradles for which a claim for conformity to this standard is made shall be permanently marked with the following information:

- a) the name, registered trade name or registered trade mark of either the manufacturer or distributor or retailer, together with additional means of identifying the product;*
- b) a line or other marking on the crib/cribble side, at least 200 mm below its top, indicating the maximum height or thickness of the mattress;*
- c) the warning notice:*
'Do not use when the child can sit or kneel or pull itself up.'
- d) the number and date of this European Standard.*
