

STATEMENT TOY SAFETY

We hereby state that all paper and solid board grades intended for packaging and produced by Smurfit Kappa mills comply with:

- The Toy Safety requirements of the Directive 2009/48/EC of 18 June 2009 including its last amendment set by the Directive regulation (EU) No 2015/2117 of 23 November 2015 for the limits of scraped-off toy material,
- The EN 71-9+A1:2007 standard relative to colorants and primary aromatic amines.

These substances are not introduced intentionally during our paper and solid board processes for technical purposes. Our products may contain the above substances that were in incoming raw materials as traces or impurities.

The presence of the substances and their compounds listed hereafter is below the required limits.

The analyses have been performed according to the following standards: EN 71-3:2013+A1:2014, EN 71-10:2005 and EN 71-11:2005.

- Aluminium
- Antimony
